

FOR IMMEDIATE RELEASE

Aprima Will Welcome Record Crowds to Dallas for the 2013 User Conference

Over 600 to convene in Dallas to hear from Rosemarie Nelson, Dr. Farzad Mostashari, sponsors including Fujitsu and Quest Diagnostics, and to help support The Children's Medical Center of Dallas

Dallas, TX (July 26, 2013) – For the fourth year in a row, a record crowd of Aprima users will fill the Hilton Dallas Lincoln Center on August 2–4 for the 2013 Annual User Conference. Physicians, nurses, practice managers and other practice staff come from all over the country to learn about the latest developments with the Aprima Electronic Health Records (EHR), Practice Management (PM) and Revenue Cycle Management (RCM).

The conference will kick off on August 2nd with a keynote address by Rosemarie Nelson, Principal, MGMA Healthcare Consulting Group (www.mgma.com/consulting/nelson). Ms. Nelson will discuss Reimbursement Transformation – Strategies for Physician Independence. Her talk includes important information about how physicians can look at operational and technology opportunities that can help them maintain profitability and retain their independence.

Following Ms. Nelson, Dr. Farzad Mostashari, the National Coordinator for Health Information Technology at the U.S. Department of Health and Human Services, will discuss current and future government healthcare IT initiatives, including Meaningful Use Stage 2, ICD-10 and the challenges facing healthcare providers, via video.

On Saturday, August 3rd, Aprima will host a reception for The Children's Medical Center of Dallas, where attendees and the Aprima team will gather to make fleece blankets for patients in their ICU. Personnel from The Children's Medical Center will be on hand to welcome guests and help them learn more about all the wonderful things they do to help sick and needy children in the DFW Metroplex.

Key conference sponsors include Fujitsu (Diamond Sponsor) and Quest Diagnostics (Gold Sponsor). Media interested in obtaining a press pass to the opening general session/keynote or to the charity event should contact:
